EXPERIENCE

DAY CARE TEACHER, Minnetonka, MN

Jovie, August 2023–Present

- Ensure the safety and well-being of 15 school-age children at all times during their stay at the daycare center
- Manage students' digital projects and digital tools such as iPads and gaming consoles
- Plan and organize age-appropriate activities, games, and projects to engage and entertain the children
- Offer emotional support and a nurturing environment to children who may be experiencing stress or difficult situations.

EDUCATION ASSISTANT/ SPECIAL NEEDS PARAPROFESSIONAL, St. Paul, MN

St. Paul School of Northern Lights, September 2019–May 2020

- Utilize and assist students using assistive technologies and adaptive tools that facilitate their participation in the classroom
- Provide one-on-one or small group support to students with special needs, tailoring instruction and assistance to their unique learning requirements
- Implement behavior intervention strategies and positive reinforcement techniques to manage and improve the conduct of students with challenging behaviors

EDUCATION

BACHELOR OF INDIVIDUALIZED STUDIES IN LEARNING TECHNOLOGIES

University of Minnesota Twin Cities, Expected graduation May 2024
